WHO WE ARE?

The task of Social Welfare Home (Dom Pomocy Społecznej) is to provide residents with the full time care and to meet their essential needs: living needs, nursery needs and provide support in accordance with applicable standards, and to enable inhabitants to properly take advantage of the health services. This beautifully designed house with a garden is a unique place for a worthy life. The health condition of the inhabitants is appropriately supervised by a qualified staff. The residents are an elderly people which are not able to live alone, because of the age or health issues.

WHAT WILL BE YOUR TASKS?

The volunteer will accompany the residents of the Welfare House in their everyday life and in their various live' activities - classes, parties, trips, walks, and creating photo reports from them. It will be an opportunity to establish and maintain acquaintance with the elderly people, participate in important moments of thir life and learn about working with the elderly.

WHO CAN APPLY?

Volunteer should be empathetic, patience and with a positive approach to life. It should be a person with a high involvement in everyday work and acceptance for old, ill and disabled people. S/he should like to make photos, short films and be interested in social media.

This Project is funded by European Solidarity Corps programme of the European Union.
