Wymiennikownia - what is this place?

Wymiennikownia is the Youth Center for Social Innovation and Design, but we call this place just Wymiennikownia or WM, because it is shorter. Wymiennikownia is located in Gdynia, Chylonia district which is a nice, green area, close to the forest, not too far from the beach.

This is a place for all people aged 13-35. It is a space for young people to connect and explore their interests in a welcoming and supportive environment, where they can take part in various events or just come and have a nice time. In Wymiennikownia, participants have a real impact on its functioning, they decide what classes they want to take part in or organize them themselves. Our dedicated employees and volunteers help in these activities. All the services are free of charge.

Wymiennikownia operates as part of the Social Innovation Laboratory in Gdynia, a budgetary unit of the City of Gdynia.

If you are interested in joining our team and taking part in the volunteering fill in this online application.

Volunteer's work schedule

Wymiennikownia is open from Monday to Friday, sometimes when organizing events - Saturday. We are open for visitors Monday - Friday from 15:00 to 20:00, because we are the place, where youth can spend their free time after school. You will work mainly between 12 and 18 o'clock, 5 days a week.

The detailed schedule will be decided with the volunteer, according to his or her actual needs and ideas.

Do you want to join our team?

There are a lot of creative workshops in Wymiennikownia. Every week we do something different. Therefore, being creative and open-minded is crucial. All activities within the weekly schedule (such as drawing class, breakdance, karate, K-POP groups, yoga, English club etc.) are run by young people for young people. This is a place where all the participants have their say and where they can implement their ideas. A volunteer must be a person who understands the needs of youth and wants to do something with and for them. The candidate should be well organized, deliver work on time and like to work in a team. We are searching for people who are creative, able to work independently, are motivated to learn and share their ideas and experiences.
